

Unaccompanied Minor Policy

Jackson County Board of County Commissioners

Public Works Department

Adopted May 24, 2022

AUTHORITY

As the managers of Jackson Blue Springs Recreational Facility, we are tasked with the safety and comfort of all patrons within our park.

PURPOSE

It is our intent to limit the access of unaccompanied minors to our facility to limit unnecessary stress on our employees and guests. In years past, JBS has served as a daily drop-off for minors during the summer months which has resulted in trespassing, obnoxious music and overall disobedience.

DEFINITIONS:

An unaccompanied minor for this policy, is any individual who is 15 years of age or less, that is not present with an adult 18 or over.
