Burn Ban Lifted Effective Immediately

Jackson County, FL – The Jackson County Board of County Commissioners announces, per the directive of Fire Chief Charlie Brunner, that the burn ban imposed on 11/7/23 is now rescinded, effective immediately. This decision follows a careful assessment of current conditions and fire hazards in the area.

Residents and visitors are now permitted to resume activities previously restricted under the ban, including open-air burning, use of fireworks, and burning of yard waste. However, we strongly encourage everyone to continue exercising caution and responsibility in all outdoor burning activities to ensure community safety.

We thank the residents of Jackson County for their cooperation during the period of the burn ban and appreciate your continued commitment to fire safety.
