SBA Offers Disaster Assistance to Businesses and Residents of Jackson County, FL Affected by Severe Storms and Tornadoes

Jackson County, FL – Florida businesses and residents affected by severe storms, straight-line winds and tornadoes on Jan. 8-9 are eligible to apply for low-interest disaster loans from the U.S. Small Business Administration, SBA Administrator Isabel Casillas Guzman announced today.

Administrator Guzman made the loans available in response to a letter from Florida Governor Ron DeSantis' authorized representative Kevin Guthrie, on March 25 requesting a disaster declaration by the SBA. Businesses and residents in the declared area can now apply for low-interest disaster loans from the SBA. The declaration covers Bay and **Jackson** counties and the adjacent counties of Calhoun, Gadsden, Gulf, Holmes, Liberty, Walton, and Washington in **Florida**; Geneva and Houston in Alabama; and Seminole in Georgia.

"The SBA is strongly committed to providing the people of Florida with the most effective and customer-focused response possible to assist businesses of all sizes, homeowners and renters with federal disaster loans," said Guzman. *"Getting businesses and communities up and running after a disaster is our highest priority at SBA."*

To assist businesses and residents affected by the disaster, the SBA will open Disaster Loan Outreach Centers (DLOCs), in Bay and Jackson counties, at 11 a.m. on Tuesday, April 2.

disaster-damaged or destroyed real estate, machinery and equipment, inventory, and other business assets,” said SBA’s North Florida District Director Jonel Hein.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers **Economic Injury Disaster Loans (EIDLs)** to help meet working capital needs caused by the disaster. **EIDL** assistance is available regardless of whether the business suffered any physical property damage.

Loans up to \$500,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for loans up to \$100,000 to repair or replace damaged or destroyed personal property.

Applicants may be eligible for a loan amount increase of up to 20 percent of their physical damages, as verified by the SBA for mitigation purposes. Eligible mitigation improvements may include a safe room or storm shelter, sump pump, French drain or retaining wall to help protect property and occupants from future damage.

Interest rates are as low as **4%** for businesses, **3.25%** for nonprofit organizations, and **2.688%** for homeowners and renters, with terms up to 30 years. Interest does not begin to accrue, and monthly payments are not due, until 12 months from the date of the initial disbursement. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition. Applicants may apply online and receive additional disaster assistance information at sba.gov/disaster. Applicants may also call SBA’s Customer Service Center at **(800) 659-2955** or email disastercustomerservice@sba.gov for more information on SBA disaster assistance.
