Update on Jackson County Road & Bridge Mowing Program

Jackson County, FL – The Jackson County Road & Bridge Department would like to provide an update on the status of our mowing program. We understand the importance of maintaining clean and safe roadways for our community and want to keep our citizens informed about the efforts and challenges faced by our team this year. Our Road & Bridge staff, who handle mowing operations throughout Jackson County, have faced several hurdles this year, including staff shortages, equipment failures, and periods of inclement weather.

Despite these challenges, our dedicated staff has been working tirelessly to address these issues and improve the efficiency of our mowing program. We have reassigned additional crew members to assist with mowing operations and have taken steps to work overtime where necessary to stay on schedule. We are also proactively addressing equipment failures to prevent further delays.

We understand the importance of regular mowing in maintaining road safety and aesthetics, and we greatly appreciate the community's patience and understanding as we work through these difficulties. Our goal is to ensure a more consistent and effective mowing schedule moving forward.

We value the support of our citizens and remain dedicated to providing Jackson County with the highest level of service and care. If you have any questions or concerns regarding our mowing program or other Road & Bridge operations, please contact our department at (850) 482-9629 or visit our website at <https://jacksoncountyfl.gov/services/road-bridge/>.

Thank you for your continued understanding and cooperation.
