Building Permits are not all inclusive. Each trade that performs work on a project is required to obtain a permit.

Permit Fee Transfers:

New permit holder will pay 100% of the original permit fee provided construction is less than 90% complete.

Permit Fee Refunds:

50% of permit fee paid may be refunded provided no inspections have been completed.

Notes:

Municipalities and County contracted work requiring inspections will require full permit.

Penalties:

Where work for which a permit is required by this code is started prior to obtaining a permit, the fees will be doubled, and the payment of the double fee will not relieve any person(s) from fully complying with the requirements of this code in the execution of the work.

Private Provider Discount:
